Grounds for Request of Waiver:

The Deadline for Filing the applicant's Form 471 within the filing window was missed due to a communication error. Service Associates, Inc. has been successfully filing E-Rate applications on behalf of Kershaw County Library (BEN 127120) since 2003 at no charge to the Library. Service Associates, Inc. (SAI) prepares the application on the Library's behalf and Penny Harvey (Director of the Library) submits the application and certifies its accuracy. The miscommunication was unintentional and was SAI's fault. Penny did not understand that the form was ready for her to submit and certify. The misunderstanding resulted in the filing of the applicant's application, outside of the filing window. When it was discovered that the form had not been submitted and certified, the 471 Filing Options were no longer available on SLD's website and the form had to be recreated using the paper form and submitted via the postal system. Although the Library does not apply for a large sum of money annually, every penny of assistance is needed in this small, rural Library System.

Service Associates, Inc. is an E-rate support services company providing services exclusively to E-rate applicants
